

# Camp Owaissi Bursary Application Procedures

## Applying for a Bursary

Individuals interested in applying for a bursary from the Camp Owaissi Bursary Fund should follow these procedures:

1. Register your child either by paper registration or using our online registration form ([www.campoac.com](http://www.campoac.com)).
  2. Complete the Bursary Application Form and mail to the Camp Owaissi Main Office in Kelowna (PO Box 24031, Kelowna, BC, V1Y 9H2).
  3. Attach a letter of need to the Bursary Application Form from a priest, teacher, or other authority figure.
- 

## Selection Process

The Executive Director to Camp Owaissi reviews all bursary applications and will select, with input from the Camp Committee, successful applicants for bursary funds. Selection is based on several factors, including family income, number of children in the family, special family circumstances, bursary fund availability, and previous reception of bursary funds.

***Bursary funds are limited.*** It is highly recommended that applicants for bursary funds also pursue funding from other sources (i.e. family, church, community organizations). Please consider what you can honestly afford to contribute to your camper's fees.

Applicants may send in a letter with the application form from someone (priest, teacher, etc) who can state the family's need for bursary funds. Applicants will be contacted by the Executive Director with the outcome as the applications are reviewed.
